Call for Papers
IEEE Global Engineering Education Conference
"Learning Environments and Ecosystems in
Engineering Education"
EDUCON2011
Princess Sumaya University for Technology
Amman, Jordan
4-6 April 2011
www.educon-conference.org

The conference is the second of a series sponsored by the IEEE Education Society within IEEE Region 8. It will provide an interdisciplinary forum for academic, research and industrial collaboration in engineering education by presenting newest research results and practical show cases. In this it aims to bridge the gap between pure academic research and real world experiences. The theme of this second EDUCON2011 conference will be "Learning Environments and Ecosystems in Engineering Education".
