Paper Submission Format

Papers for both oral and poster presentations should conform to the IEEE format and specifications. All submissions must be in English only. Authors are invited to submit full paper (maximum 10 pages, double-column A4) in the pdf format using the [IEEE template](#). The IEEE paper template can be downloaded from the link given below: www.ieee.org/conferences_events/conferences/publishing/templates.html. However, authors whose papers exceed 6 pages will be charged at a rate of \$25 per extra pages. All papers will be double-blind reviewed by at least two independent reviewers. Two half-day workshops on **Cryptography & Cryptocurrencies** and **Introduction to Machine Learning** will be offered for free to conference participants. Participants are expected to bring their laptops.

Paper Submission Details

All papers must be submitted through Easy Chair at: <https://easychair.org/conferences/?conf=icabcd2018>

Authors are requested to anonymise (remove all contact details) their papers before submission.

At least one of the authors of each accepted paper must register and attend the conference, in order for the paper to appear in the conference proceedings.
