IEEE Region 8

SIBIRCON 2010
IEEE R8 International Conference on
Computational Technologies in Electrical and Electronics Engineering

Baikal-Hotel, Irkutsk, Russia
July 11–15, 2010

CALL FOR PAPERS

Organizers: IEEE Region 8, IEEE Russia Siberia Section, Institute of Computational Technologies SB RAS, Institute of Systems Dynamics and Control Theory SB RAS, Energy Systems Institute SB RAS, Siberian State University of Telecommunications and Information Sciences, Novosibirsk State Technical University
Honorary Chairman: Józef Modelski (IEEE R8 Director)
General Co-Chairs: Yury Shokin, Sergey Sitnikov

Previously unpublished contributions from a broad range of topics in the sphere of the IEEE activities are solicited, including (but not limited to) the following areas

Main Areas and Committee Members:

- *Information theory, Cryptography and data security*
  Arkadii Dyachkov, Sergei Fedorenko, Boris Ryabko, Wojciech Szpankowski, Sergio Verdú
- *Telecommunications*
  Sergey Balandin, Jose A. Delgado-Penín, Alex Gelman, Lajos Hanzo, J. Roberto B. de Marca, Alexei Vostretsov

- *Microwave theory and techniques*
  Shmuel Auster, Georg Boeck, Daniel Pasquet, Barry Perlman, Robert Weigel, Ke Wu, Felix Yanovsky

- *Power electronics, Development and control of energy systems*
  Energy conversion and renewable energy, Industry applications
  K Gopakumar, Marian Kazmierkowski, Peter Magyar, Gil Marques, Rami Mushcab, Nikolai Voropai, Helmut Weiss
- *Education and e-learning*
  Michael E. Auer, Boris Krouk, Friedemann Mohr, Rob Reilly

For general inquiries, please use the following address
SIBIRCON 2010 Office, NSTU, building 4, room 121a, Karl Marx Ave. 20, Novosibirsk 630092 Russia
e-mail: sibircon2010@gmail.com

Conference web site: http://sibircon2010.sibsutis.ru   (previous SIBIRCON web site: http://sibircon2008.sibsutis.ru)

Deadline for submission of papers (up to 6 pages, IEEE transactions two-column format):   **March 1, 2010**
All submissions will be carried out through the web site
