The 10th IEEE Conference on E-Commerce Technology (CEC' 08) and the 5th IEEE Conference on Enterprise Computing, E-Commerce and E-Services (EEE ' 08) are the flagship annual conferences of the IEEE Computer Society Technical Committee on E-Commerce. In 2008, we will hold both conferences together as a joint event, providing a platform for researchers and practitioners interested in the theory and practice of E-Commerce and Enterprise Computing.

Early registration and hotel reservation deadline: June 20, 2008.
To register, visit Conference Web Site https://link.ece.uci.edu/conferences/cec08/registration.php

CEC'07 and EEE'07 Highlights
We have an exciting program designed to appeal to researchers and practitioners in the areas of E-Commerce and Enterprise Computing.   It includes:
• 3 keynote talks;
• 1 banquet talk;
• 1 Joint Industrial Panel;
• 3 industrial sessions (2 keynote talks, 1 Panel);
• 13 research paper sessions;
• banquet and reception;
• 3 workshops and a Web service Challenge

Keynotes
• *Human Interoperability and Net-Centric Environments,* Dr. Alenka Brown, NII/DoD-CIO
• *The Greening of Innovation,* Dr. Jurij Paraszczak, IBM
• *Cloud Computing: An IBM Perspective,* Dennis Quan, IBM
